

The LIVE Project is teaming up with the Irish Whale and Dolphin Group (IWDG) to help get a better understanding of the best places and times to see whales and dolphins (and also basking sharks) from the Iveragh coastline.

To report sightings of any cetacean activity, please follow these steps:

1. Go to www.iwdg.ie, then click on 'Report Sighting' in the menu bar.

2. Fill in the form with as much detail as you can. In the name box, please add your name and LIVE Project e.g. *Susan Smith LIVE Project*. This means the IWDG will send us the details of your sighting. The * denotes mandatory boxes to be filled. Please fill in as much information as you can as this will help to verify your sightings.
